/ Private Spa & Health

/ Private Health Suite

/ My Private Neuro-Aesthetics Experience

110 min €350

Your skin's pores are gently opened during a steam bath, paving the way for deeper treatment. Next, the Neuroscience Stress Management therapy provides profound relaxation for your facial muscles and skin, offering a powerful anti-stress effect. This perfectly prepares the skin to absorb the active ingredients of the Expert Detox Facial treatment. A deeply effective detox and de-stress experience for both skin and soul.

/ My Private Deep Relaxion Experience

95 min €300

This exceptional journey begins with profound relaxation during a Neuroscience Stress Management session. A soothing steam bath then prepares your mind and body for the signature massage to follow. Tension melts away as physical and mental blockages are released.

/ Info & Etiquette

The Mount Med Resort's Medical Spa offers holistic preventative healthcare options. Our experienced professionals are by your side with modern diagnostics and high-quality examinations. All medical and healthcare services are delivered exclusively by the **private medical practices** within the Medical Spa.

Relaxation & Mental Detox

In our Medical Spa, we prioritise peace, relaxation and your wellbeing. To maintain this serene atmosphere, we kindly ask that you switch off your mobile phones. Thank you for helping us create a space where everyone can fully unwind.

Take Your Time

To enjoy the best therapy experience and results, we recommend arriving at the Holistic Spa 10 minutes before your treatment begins. Take a moment to relax with a cup of tea and let yourself unwind.

Clothing

We recommend wearing a bathrobe or comfortable sportswear to your appointments. For your visit to the Medical Spa, a bathrobe, slippers and a Health You Up spa bag with bath towels are provided in your room for the duration of your stay.
